

Template for BES-0162, BES-F0162, BES-0162LM and BES-F0162LM Surface Mounted Rim Strike

INSTRUCTIONS

- 1. Determine the horizontal centerline of the exit device latch and transfer centerline to the frame stop.
- 2. Position the template onto the frame aligning with centerline and against the closed door. Center-punch the two mounting holes and the wire access hole(s) as shown.
- 3. Drill and tap the two mounting holes and drill the wire access hole(s).
- 4. Refer to the installation instructions for wiring and final installation.

For those exit devices where R

≠ 11/32" (9mm)

shift template accordingly.
